Company Profile

Neokay Industrial Co., Ltd has been specialising in the R&D, production and sale of cookware and household products for 20 years.

Neokay is proud of its supreme R&D ability, efficient production management and precise quality control. At present, with a 10+ person R&D team, the company is an expert in cookware outlook effect design, product structure design, product model processing. It is capable of offering customized services to its customers.

With a production area of 25,000 square meters and over 120 sets of equipment, the company is capable in raw material cutting, grinding and cleaning, extending, pot shaping, double-bottom welding and butt fusion welding, polishing and wire drawing, ultrasonic cleaning, assembly, heat shrink packing, and so on. The company has a complete quality control system to supervise the quality of raw materials and the whole production process.

The company has built its own brand Neokay, which supports OEM and ODM. Neokay has established friendly cooperation with over 200 traditional trade companies and long-term partnership with transnational E-business suppliers, such as Amazon, Shopee, Lazada, Mercado Libre, eBay, etc. It enjoys a high reputation among its customers and partners both at home and abroad. Neokay is dedicated in offering considerate and efficient service to customers all over the world.

A collection of stainless steel cookware is displayed on a light-colored wooden countertop. In the center, a large stainless steel pot with a lid is stacked on top of a smaller stainless steel pot, also with a lid. To the left, a smaller stainless steel pot with a lid sits on the counter. In the foreground, a stainless steel frying pan with a black handle is positioned. To the right, a larger stainless steel pot with a lid and a black handle is visible. The background shows a kitchen setting with a white countertop, a sink, and some greenery. A semi-transparent orange banner with the text "Stainless Steel Cookware" is overlaid on the center of the image.
